Dear DTSC GPRA Team,

I ran some RCRAInfo reports for California that show what facilities are meeting the GPRA goals for Permits and Renewals and which ones are not meeting the GPRA Goals for Permits and Renewals.

The four (4) reports are attached.

I would like to go over these when we go over the Grant Multi-Year strategy to make sure the Facilities not meeting the goal are on our list to be worked on in the Multi-Year strategy.

Kelly Wedell, the new Grant Project Officer, will be calling in to introduce herself to the group.

Can we please have a phone available in the conference room?

Thanks,
